c) Flu vaccine

It is not too late to have the flu vaccine this year, available at all pharmacies & GP practices. Flu cases in hospitals & general practices are increasing. The flu virus is a good match for this year's vaccine, and it's not too late to get one. PHW message: "We expect the flu virus to circulate at increased levels in Wales for six to eight weeks, with lower levels even longer, so it is important to ensure that remaining eligible people are vaccinated as quickly as possible to help protect them for the rest of this season"
