3. CVSC Membership Offer - Complementary tickets for the community

Offer to CVSC Members below circulated on behalf of the Llangollen International Musical Eisteddfod

At the Llangollen International Musical Eisteddfod we have been working on ways to increase our engagement with the community in Llangollen and give something back to the people in the locality. We endeavour to make the Eisteddfod more accessible to community groups and those that are not currently engaged with our event. This includes the offer of complimentary tickets for community groups to give to their members. This year we are trying a slightly different approach by giving out special offer codes so that the free tickets can be accessed online. We would like to offer CVSC the opportunity to share this online discount code with your members. Using the code COMMUNITY19 your members will be able to access a FREE FAMILY DAY TICKET, valid Wed-Sat of Eisteddfod week. Simply visit <http://international-eisteddfod.co.uk/events/ground-pass/> and select Family Ticket and enter the code when prompted to claim the free ticket. The number of tickets available on this code is limited and will expire on the 15th June 2019.
