Deganwy Castle Hotel and Apartments, Station Road, Deganwy.	Conwy Town Council strongly object to the planning request to place the weathervane in the grounds of Deganwy Castle Hotel. Deganwy Castle Hotel is a locally iconic building which can be seen from every vantage point in the local area and gives an iconic view. Added to this Deganwy Castel Hotel is a listed building and it is felt that the weathervane needs to be reinstated in its original place as it will drastically effect the visual appeal and the aesthetic beauty of this listed historic building if it is not reinstated on the West Tower.

Additional Planning Notes

A guidance to “Material Considerations”.

To be able to successfully oppose or make a successful objection to a planning matter you must state what is known as ‘Material Considerations’. Material Considerations are many and extraordinarily varied. They include all the fundamental factors involved in land-use planning. Therefore, Material Consideration must be evident and supported by facts - see below:

- The number, size, layout, siting, density, design and external appearance of buildings;

- Impact on the neighbourhood;
- Planning history of the site;

- Adequate parking and servicing;
- Loss of ecological habitats;
- Effect on Listed Building(s) and Conservation Areas;

- The availability of infrastructure.
- Overshadowing;

- Overbearing nature of proposal;
- Archaeology;
- Access and highways safety;

- The proposed means of access;
- Overlooking and loss of privacy;

- Contamination by a previous use;
- Public visual amenity;
- Traffic generation;
