

Conwy Town Council
Guildhall Rosehill Street
Conwy

Firstly, I would like to thank all the residents of Conwy Town Council Wards for their resilience in these unprecedented times, especially as we are going into a period of extended lockdown. I would like to extend my heartfelt sympathy to all our residents both young and old and especially those families with vulnerable family members and loved ones that have found themselves having to self-isolate. I send you all my best wishes and regards.

I would like to give my sincere gratitude to all the businesses in Conwy, Llandudno Junction and Deganwy that have made such valiant efforts to keep working and staying open to serve the needs of the Community in the best way they can, also to the Doctor's surgeries and Pharmacies that are working so hard for us here in Conwy, Llandudno Junction and Deganwy.

My sincerest gratitude goes to the NHS staff and Care workers for their unceasing commitment in caring for our Communities. In recent weeks we have all turned out in our streets at 8pm on Thursday evenings to clap and give thanks to our wonderful NHS staff working tirelessly to care for and protect us all, and I know they are encouraged by our gratitude, but let us not forget the other frontline and essential workers, lets include them in our thanks for the invaluable services they continue to provide. They are of course our Police Force, Fire Service, Refuse Collectors, Postal Workers, Voluntary Service Providers and our Shop Assistants to name but a few.

I would also like to send my best wishes to all the business owners that have had to close at this time, and assure them all that I, as Mayor of Conwy, along with my CCBC role as Cabinet Member for Economy and Tourism will do everything possible to help support them during this time, and will work with them to plan for their recovery once we get back to some form of normality.

Following recent Government guidelines, our Town Council offices have been closed for the time being. However, the Town Clerk is manning the Guildhall Office as per usual. Therefore, I can assure you, our Town Clerk and her team are working hard to keep our Town running as best they can in this unprecedented situation. I would like to thank all the staff of Conwy Town Council for their continued commitment over this period, and to my fellow Council Members for all their support.

I wish you all well and stay safe.

Diolch
Thank you
