

MEETING OF THE TOWN COUNCIL**30th SEPTEMBER 2019****TOWN CLERK'S REPORT****1. Letter of Thanks**

Clwb Yr Efail

"Please forgive the delay in our tendering the sincere gratitude felt for the generous grant made to the club by the Town Council. However, may I, wearing my chairman of Clwb Yr Efail hat, express to the Councillors just how much this practical support and encouragement to continue our work has meant to the members, our staff and team of volunteers.

It would not be an understatement to say that each week the club activities provide a warm and wholesome social experience for what is now a significant number of older people in our Conwy community. The club membership continues to see new people join us having heard about the benefits of being a member, the positive effects upon improved quality of life are clearly evident from the sense of well-being which people feed back to the club.

We are continually striving to improve the quality and variety of good service for which the club has now become well known, with your help and generous support, we will continue these works heartened in the knowledge that the Town Council have added their goodwill to our efforts.

Once again, from each of the members, and the volunteers and staff, a very big and sincere thank you. Please do offer the Councillors to come and join us and see just what we do. My sincere regards"
Terence James, Chair of Clwb Yr Efail.
